

TERRY'S GUIDE TO THE GAME

Huddersfield Town are also known as 'The Terriers' and you can find one on our crest.

Each team starts with 11 players, including a goalkeeper who plays in a different colour kit.

The match is two 45 minute halves which adds up to one 90 minute game.

When Huddersfield Town play at home they like to wear:

Blue and white striped shirts

White shorts

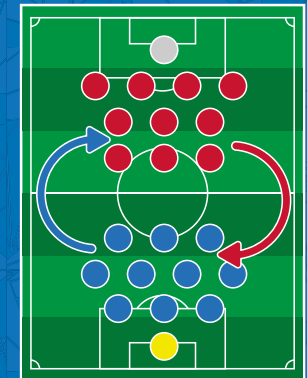

with blue and white socks

Each of the players of the team has their own name and number on the back of their shirt

At half time (after the first 45 minutes), the players swap ends.

Each team tries to score in a different goal in each half.

You'll find me around the stadium, and the family stand before kick-off.

Come and say hello!
